

ELEA BERNOU, PSYD SCHOOL QUESTIONNAIRE

On behalf of (Student's Name): Naomi White

This student will be seen in my office for an evaluation. Please complete this form as accurately and thoroughly as possible; the more information that you can provide, the more thorough this evaluation will be. Please attach additional information or explanation as needed.

If you do not know the answer to a question, skip it. Please complete the "Behavioral Rating Scale" section towards the end. Thank you!

Teacher's Name: Betsy Morris _____ Date: 01/23/2025
Title/Position: Teacher _____ Student's Grade: 4th grade
Type of Instruction (mainstream, SDC, Resource, one-to-one, etc.): General Ed. _____
School: Happy Valley Elementary _____ School District: Lafayette
School Address: 3855 Happy Valley Rd, Lafayette, CA 94549
Phone: 925 927-3650 _____ Email: bmorris@lafsd.org _____
Best times that you can be reached by phone: After 3:00 _____

PURPOSE FOR EVALUATION

Describe any concerns you have about this student and his or her difficulties:
This evaluation was initiated by parents, not a result of teacher concern.

Indicate any possible causes for these areas of concern:

Describe any significant events in this student's academic or personal history of which you are aware (multiple absences, change of schools, detentions, family issues, etc.):

What specific questions do you hope to have answered in this evaluation?
If issues arise as a result of this evaluation and there are strategies of which I can implement to enhance Naomi's learning, I am happy to receive that information.

n/a

Please describe academic, speech/OT, social, behavioral, or other interventions not listed above:
n/a

BEHAVIORAL RATING SCALES

Rate the following behaviors on a scale of 0 to 3.

NOTE: This rating scale is given to teachers of children of all ages. Some of these items may not apply to children of your student's age group. In addition, you may not know the answers to all of the items – please skip any items that do not apply.

0 = has NEVER evidenced this behavior

1 = does not evidence this behavior now, but has IN THE PAST

2 = does evidence this behavior SOME OF THE TIME

3 = does evidence this behavior OFTEN

2 Fidgets

2 Has difficulty remaining seated

2 Is easily distracted

2 Distracts others

0 Annoys others

0 Blurts out answers to questions before they have been completed

0 Has difficulty following instructions

2 Has difficulty sustaining attention/focus

1 Moves from one activity to another without completing things

0 Has difficulty playing quietly

0 Talks excessively

0 Interrupts or intrudes on others

0 Seems to "not listen"

0 Loses things

1 Forgets things

0 Forgets to turn in homework, even when it is completed

0 Engages in physically dangerous activities

0 Acts impulsively in academic work

0 Acts impulsively in social, family, or community settings

2 Is inattentive in some situations and very focused in others

1 Has more trouble focusing than peers

0 Loses temper

0 Argues with adults

0 Actively refuses adult requests

0 Deliberately annoys others

0 Blames others for own mistakes

0 Is touchy or easily annoyed

0 Is intense

0 Is angry, resentful, spiteful, or vindictive

0 Swears or uses obscene language

0 Often worries about loved ones

0 Often worries about separation from loved ones

0 Persistently refuses to go to school

0 Persistently refuses to sleep alone

0 Persistently avoids being alone

0 Has repeated nightmares

0 Voices frequent somatic complaints (e.g. stomachaches, headaches)

0 Worries about the future

0 Worries about past behavior

1 Worries about competence

0 Displays marked self-consciousness

0 Needs a lot of reassurance

0 Has a hard time relaxing

0 Avoids or is fearful of social situations

0 Avoids or is fearful of unfamiliar peers

0 Avoids or is fearful of adults

*Please elaborate on any answers noted with "please describe" _____

ADDITIONAL INFORMATION

Describe this student's strengths, talents, and particular interests:

Naomi is very creative in her thinking as well as artistically. She thinks deeply about her answers/ideas regarding reading and writing. She enjoys art and demonstrates artistic talent in drawing and other mediums. She is creative when expressing herself in writing.

Describe this student's weaknesses, challenges, and particular dislikes:

At times Naomi needs a push to initiate tasks and to work to her potential. She is capable, but needs a nudge. She needs body movement breaks, yet manages this herself. She will change her state, stretch, or move as needed.

Is there anything else you wish to add that has not been covered by this questionnaire?
