

Lafayette Elementary School District

REPORT TO PARENTS - THIRD GRADE

Student: Naomi S. White

School: Happy Valley Elementary

Year: 2023-2024

Teacher: Tompkins

Principal: Shayna Peeff

Grade: 3

Birthdate: 10/02/2014

EXPLANATION OF MARKS

Progress Toward Standard	Effort
3 Meets Grade Level Standard	C Consistent
2 Approaching Grade Level Standard	P Progressing
1 Below Grade Level Standard	N Needs Improvement

Reporting Period	1	2	3
ENGLISH LANGUAGE ARTS			
Shaded Boxes Below are N/A to Reporting Period			
READING			
Foundational Skills			
Reads grade-level text with accuracy and fluency to support comprehension	3	3	3
Decodes words with common prefixes and derivational suffixes in isolation and text	3		
Decodes multisyllable words in isolation and text		3	
Decodes irregularly spelled words in isolation and text			3
Literature			
Independently and proficiently reads and comprehends grade-level literary text	2	3	3
Recounts stories from diverse cultures; determines the central message, lesson, or moral and explains how it is conveyed through key details in the text		3	3
Informational Text			
Independently and proficiently reads and comprehends grade-level information text		3	3
Determines the main idea of a text; recounts the key details and explains how they support the main idea		3	3
WRITING			
Writes narrative pieces, real or imagined, with established situation, introduction of narrator and/or characters, and events which sequentially and naturally unfold	3		
Writes opinion pieces including a supporting point of view with reasons		3	
Writes informative pieces including developed facts, definitions, and details			3

SPEAKING AND LISTENING			
Participates in collaborative discussions by asking questions to check for understanding, staying on topic and linking comments to the remarks of others	2	3	3
Determines main idea and supporting details of text read aloud or information presented in diverse media and formats		3	3

Reporting Period	1	2	3
LANGUAGE			
When writing and speaking, demonstrates command of English language by showing understanding of nouns, pronouns, verbs, adjectives, and adverbs in general and in particular sentences (T1:nouns, pronouns, verbs T2:adjectives T3:all)	3	3	3
When writing and speaking, demonstrates command of English language by correctly using regular and irregular verbs (T1:regular T2:irregular T3:both)	3	3	3
When writing and speaking, demonstrates command of the English language by producing simple, compound, and complex sentences (T1:simple T2:compound T3:complex)	3	3	3
When writing, appropriately capitalizes words in titles	2	2	2
When writing, correctly uses conventional spelling and spelling patterns	3	3	3
When writing and speaking, demonstrates command of the English language by ensuring subject-verb and pronoun-antecedent agreement			3

MATHEMATICS			
Shaded Boxes Below are N/A to Reporting Period			
Standards			
Understands properties of multiplication and the relationship between multiplication and division	3	3	3
Multiplies and divides within 100 fluently	2	3	3
Solves word problems involving the four operations using drawings, equations and words (T1:1 step T2:multi-step)	3	3	3
Adds and subtracts within 1000		3	3
Develops understanding of fractions as numbers		3	2
Geometric measurement, understands concepts of area and relates area to multiplication and to addition			3
Solves problems involving measurement and estimation of intervals of time			3
Solves problems involving measurement and estimation of intervals of liquid volumes and masses of objects			3

HISTORY - SOCIAL SCIENCE	3	3	3
---------------------------------	---	---	---

Reporting Period	1	2	3
READING PRACTICES			
Self-selects texts at independent reading level	C	C	C
Reads and sustains focus over extended period of time	C	C	C
WRITING PRACTICES			
Shaded Box Below is N/A to Reporting Period			
Writes and sustains focus over extended period of time	N	P	P
Independently uses technology to produce and publish writing		C	C

MATHEMATICAL			
Makes sense of problems and perseveres in solving	C	C	C
Clearly communicates mathematical reasoning	P	P	P
Attends to accuracy, reasonableness and efficiency	P	C	P

SCIENCE	C	C	C

----------------------------------	---	---	---

SOCIAL/WORK SKILLS			
Displays positive attitude	C	C	C
Demonstrates responsible classroom behavior	C	C	C
Demonstrates responsible playground behavior	C	C	C
Works independently / stays focused on task	N	N	P
Works cooperatively in groups	C	C	C
Completes classroom assignments	P	P	C
Completes and returns homework assignments	P	C	C
Completes work neatly and legibly	P	P	P

ATTENDANCE	1	2	3
Days Enrolled	56	62	62
Days Absent	3	7	11
Days Tardy	2	0	2

TEACHER COMMENTS

1st Trimester: **STRENGTHS:** *narrative writing is becoming more detailed and elaborate by utilizing the writing strategies *labeling answers in word problems *use of multiple strategies to solve multiplication and division equations
GOALS: *finding evidence from the text to support thinking *clearly explaining mathematical reasoning *focus and attention

2nd Trimester: **STRENGTHS:** *finds evidence from the text to support comprehension of nonfiction *demonstrates an understanding of new math concepts: rounding, addition/subtraction with regrouping, multi-step/ multi-operational word problems, and representing fractions on a number line *positive attitude **GOALS:** *follow directions *focus and attention *completing tasks in a timely manner

3rd Trimester: It has been a joy to watch Naomi grow this year. She has a good work ethic and strives to do her best as she takes great pride in her work. Naomi has been concentrating on improving her focus on assignments. She is a creative thinker who is always up for a challenge. Naomi's upbeat, positive attitude added a bright spot to every day. I encourage her to continue math fact practice and enjoy many good books over the summer. I will miss her friendly smile and wish her all the best. She will be a pleasant addition to any classroom. Have a fabulous summer, Naomi! Promoted to 4th grade.

LAFAYETTE, CA 94549

What is the CAASPP?

The California Assessment of Student Performance and Progress (CAASPP) consists of assessments aligned with the state standards that outline the expectations for what students know and can do. Students in grades three through eight and eleven take the English language arts/literacy (ELA) and mathematics assessments. With each assessment, students are expected to write clearly, think critically, and solve problems.

If you have any questions about the assessments or your child's results, you may contact your child's teacher for more information.

What do the scores mean?

Students receive an overall score and an achievement level. There are four different achievement levels:

-  Level 4: Standard Exceeded
-  Level 3: Standard Met
-  Level 2: Standard Nearly Met
-  Level 1: Standard Not Met

The goal for all students is to reach the Standard Met or Standard Exceeded level, which means they met the expectations for their grade level.

There are performance areas for each assessment, which are reported as one of three levels:

-  Above Standard
-  Near Standard
-  Below Standard

These results provide a measure of where students are excelling and where they can improve. Assessment results are only one measure and should be combined with other information to better understand student achievement.

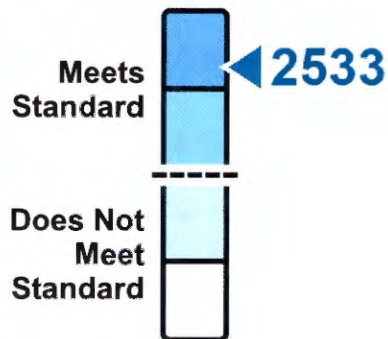

For more information about these tests—including sample test questions—visit <https://CA.StartingSmarter.org/>.

Smarter Balanced for English Language Arts/Literacy

Naomi's Overall ELA Score

Naomi's score of 2533 exceeded the grade three standard.

The score range for grade three is 2115–2650. A score of 2432 or higher meets the grade three standard.

Naomi's Score History

Naomi took this test for the first time this school year. Naomi will have score history next school year.

Naomi's Performance Areas

Reading and Listening

How well did Naomi understand written and spoken information?

★ Above Standard

Writing and Research

How well did Naomi use research skills and communicate in writing?

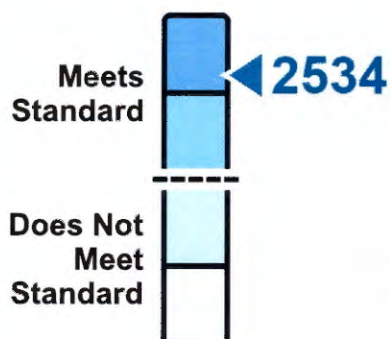

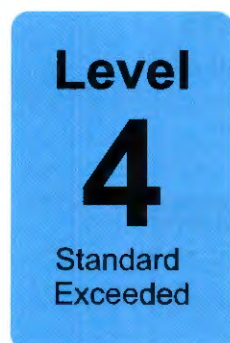

★ Above Standard

Smarter Balanced for Mathematics

Naomi's Overall Mathematics Score

Naomi's score of 2534 exceeded the grade three standard.

The score range for grade three is 2190–2660.
A score of 2436 or higher meets the grade three standard.

Naomi's Score History

Naomi took this test for the first time this school year. Naomi will have score history next school year.

Naomi's Performance Areas

Concepts and Procedures

How well did Naomi apply mathematical concepts and procedures to solve problems?

★ Above Standard

Mathematical Practices

How well did Naomi apply strategies to solve complex problems and explain the reasoning for the solution?

★ Above Standard

Naomi's Essay Performance

Naomi was assigned a narrative essay as part of the test. Naomi's essay is scored in three categories and provides additional information about Naomi's writing.

Organization/Purpose

Did the writing tell a complete story with a setting, character(s), and a clear sequence of events?

3 out of 4

Development/Elaboration

Were the experiences, characters, setting, and events clearly developed in the story? Did the writing make use of effective vocabulary, figurative language, and style?

3 out of 4

Conventions

Did the writing include correct sentence formation, punctuation, spelling, capitalization, and grammar?

2 out of 2

Naomi's Lexile® and Quantile® Measures

Lexile and Quantile measures are reported from the Smarter Balanced for ELA and Smarter Balanced for Mathematics assessments. Lexile measures show the level of text your child can read and understand independently. Quantile measures identify the mathematic skills and concepts your child is ready to learn next. To learn more about these measures and to access Lexile and Quantile resources to support learning, visit <https://Hub.Lexile.com/Family/>.

How Naomi's Scores Compare

Smarter Balanced for ELA		
Your Child's Score	School Average	State Average
2533	2530	2409

Smarter Balanced for Mathematics		
Your Child's Score	School Average	State Average
2534	2543	2419

SCHOOL : Happy Valley Elementary - 6003743
DISTRICT : LAFAYETTE SD (CA) - 1007796

TEST DATE : 10/16/2023
AGE : 9 YRS 0 MOS
GRADE : 3

OLSAT8 LEVEL : D

Purpose

The *Otis-Lennon School Ability Test[®]* has two parts, a Verbal and a Nonverbal Scale. The Verbal Scale measures ability using tests that require verbal reasoning and comprehension. The Nonverbal Scale measures ability using tests that require understanding spatial and serial relationships among geometric shapes.

Intended Use

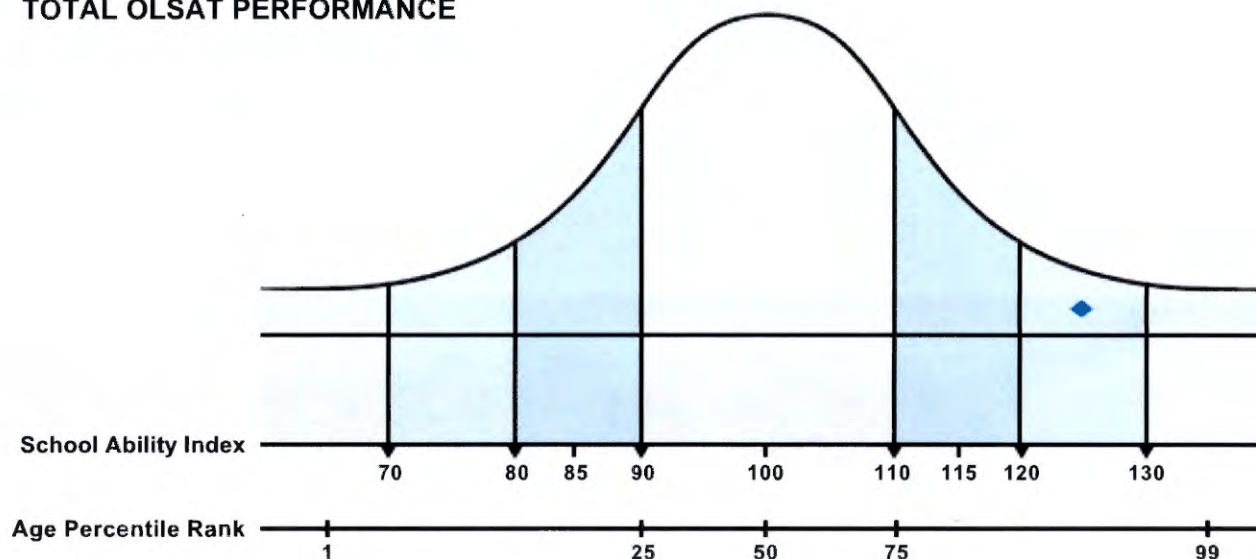

- Measure students' ability to answer Verbal and Spatial (Nonverbal) test questions. The ability to answer those questions is strongly related to school success for students in grades K – 12.
- Identify those students who demonstrate high abilities and who may benefit from a Gifted & Talented program

ADDITIONAL SCORES

	Total	Verbal	Non-verbal
Raw Score/ No. Possible:	54/64	25/32	29/32
SAI:	125	115	133
Age PR:	94	83	98
Age Stanine:	8	7	9
Scaled Score:	639	616	668
Grade PR:	96	88	97
Grade Stanine:	9	7	9

Your student was recently administered the *Otis-Lennon School Ability Test[®]*, Eighth Edition (OLSAT[®]8). This report contains an explanation of the OLSAT[®]8 and how your student performed.

TOTAL OLSAT PERFORMANCE

125 SCHOOL ABILITY INDEX

This student's score has been placed on the graph to show how it relates to the scores of other students of the same age. Most scores will fall between 90 and 110, and scores in this range are considered to be average. Fewer students will have scores that fall between 70 to 89 and 111 to 130, and an extremely small number will have scores that fall below 70 or above 130.

94 AGE PERCENTILE RANK

Percentile Ranks range from a low of 1 to a high of 99. This score is used to compare student performance to that of a national sample of students of the same age. For example, if a child who is six years old has a Percentile Rank of 75, this means the child scored as well as or higher than 75 percent of six year old students who were tested. Please note that Percentile Rank and Percent Correct have different meanings.

TEACHER COMMENTS

1st Trimester: Naomi has transitioned smoothly into second grade. She has strong reading and comprehension skills. Naomi is an enthusiastic writer who is working on conventions and adding more details to her writing. Naomi has a solid understanding of the concepts taught in math so far this year and continues to develop skills in word problems. Naomi is a kind, friendly and respectful student. Naomi has missed quite a few days of school, but when she is present, she is careful with her assignments and works hard. I appreciate her confidence and willingness to participate. I enjoy having Naomi in class and I look forward to a terrific year with her!

2nd Trimester: Naomi continues to make progress in all areas. She is able to follow the mathematical processes and explain her strategies for solving equations. Naomi enjoys reading and demonstrates good comprehension of the books she reads. Naomi is an enthusiastic writer and is making steady progress in her writing skills. Naomi always comes to school with a positive attitude and is ready to learn and participate. I appreciate all of her hard work this trimester.

3rd Trimester: It has been a pleasure having Naomi in class this year. She has shown steady growth throughout the year and is performing at grade level in all areas. With her friendly and cooperative attitude, Naomi will be a wonderful addition to her third grade class and she will enjoy the challenges of the third grade curriculum. Please continue reading and playing math games. Have a wonderful summer!

TEACHER COMMENTS

1st Trimester: Fall 2021 Naomi has adjusted nicely to the routines of first grade. She is making good progress in all curriculum areas. In reading, she is building her sight vocabulary and is beginning to use phonic skills to sound out unfamiliar words. Continued nightly reading will help her increase her sight vocabulary and reading confidence. Naomi's handwriting is neat and legible. She is learning to write her thoughts down in writer's workshop. In math, she understands the concepts presented and has good computational skills. Naomi enjoys drawing, art, and seems very comfortable with her peers in the classroom and on the playground.

2nd Trimester: Winter 2022 Naomi is making very good progress across the curriculum. She is reading with more confidence and self-selects books to independently read. She continues to work on building her fluency and automaticity (the ability to recognize words without effort or conscious attention). Naomi benefits from extra practice re-reading a book/text. She is writing simple sentences. In math, her computational skills are good and she solves math word problems with thoughtful precision. She is good-natured in class. Naomi enjoys art and swinging on the swings with friends during recess.

3rd Trimester: Spring 2022 Naomi continues to grow and learn. She has met all first grade academic benchmarks. She is full of good-natured energy, yet sometimes needs to be reminded to listen and follow directions. Naomi is an engaging student who enjoys learning. She reads with confidence - keep up the summer reading to stay in shape for the fall. Her handwriting is nicely formed. She is expanding her writing skills. In math, she works confidently with numbers. Naomi loves building with interlocking cubes and dominoes during freetime. She is always kind and good natured with her classmates and teachers. Have a great summer! Promoted to 2nd Grade

Marking Code	Translation	Comments
1	Excelling: Exceeding the grade level expectations.	A student demonstrates a performance level beyond expectations independently on a consistent basis.
2	Achieving: Meeting the grade level expectations consistently.	A student consistently and independently demonstrates mastery of grade level subject material. This mark reflects excellent work and is developmentally appropriate.
3	Developing: Progressing towards meeting the grade level expectations with teacher assistance.	A student who can meet grade level expectations with teacher assistance and support, but often does not demonstrate consistent mastery in a curriculum area or grade level standard.
4	Insufficient Progress: Not Achieving Grade Level Expectations	A student demonstrates great difficulty meeting grade level curriculum expectations. Intervention and support are required.
Assessment Legend <i>Meets Grade Level Expectations:</i> + Consistently, √ Frequently, - Improvement Needed		/ Slash: A slash in a box indicates that a skill has not been taught or assessed during the grading period. AC Adjusted Curriculum: Indicates a child has specialized curriculum to meet his/her individual needs.

T1 Comments

We've enjoyed watching Naomi grow into her role as a BOA kindergarten. She is becoming a confident communicator & has a positive attitude towards school & learning. She can be easily distracted & often requires reminders to stay on task. Reviewing daily work will help reinforce concepts covered. Naomi's fun spirit & energy make her a joy to have in class.

Teacher Signature: _____

T2 Comments

Naomi's has made significant progress this trimester. She's worked hard to increase her focus & attention in the classroom. She's become a more active learner & is now participating more frequently w/ increased confidence. She's working on completing her work carefully & neatly, as well as being a more active participant during all learning activities (both on Zoom & in classroom). Keep up the hard work, Naomi!

Teacher Signature: _____

T3 Comments

Naomi continued to blossom as the year progressed. She's matured a lot & worked hard to strengthen her reading/writing & math skills, as well as her ability to focus & work independently. She's also made a noticeable effort to complete her work neatly and during the allotted time. Over the summer, she should continue to read/write daily & practice her math facts. She's thoughtful, creative & enthusiastic. We're so happy to have had her in our class. We're proud of you, Naomi. Keep up the hard work. Have a great summer & lots of fun in First Grade at your new school!

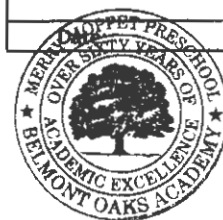

Recommended Placement for Next Year:
